

**TOABOKEN**

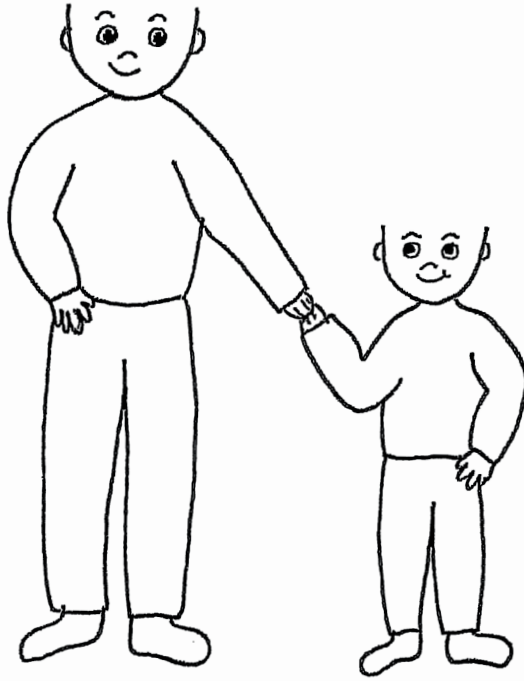

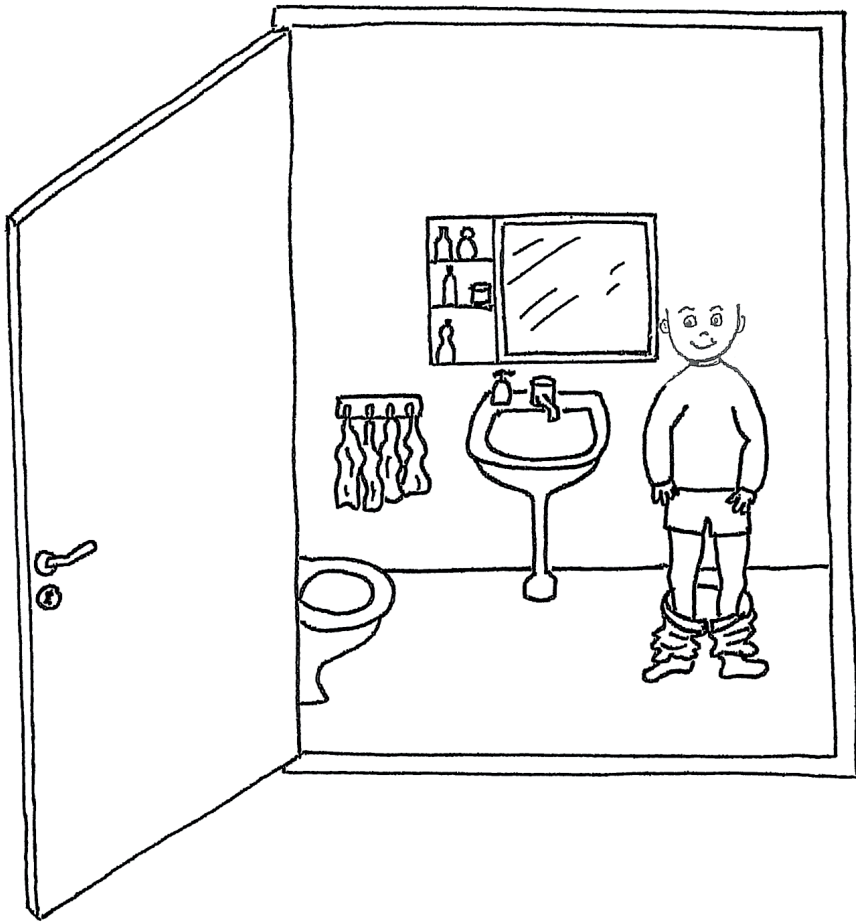

Jag ska kissa.

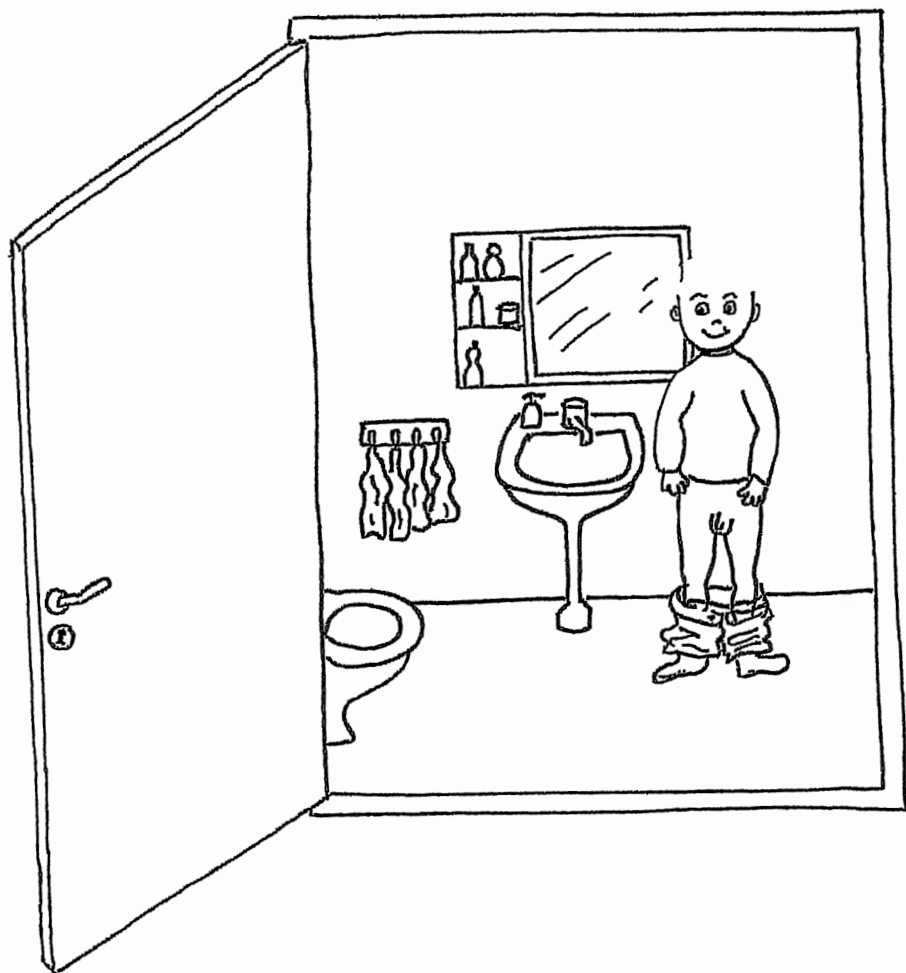

Jag säger till en vuxen.

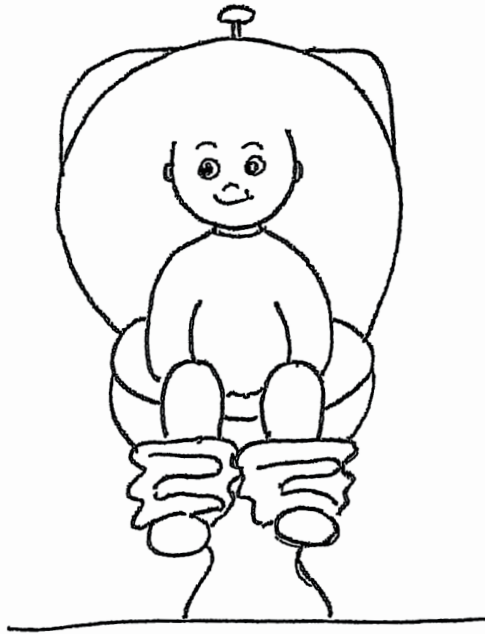

Den vuxne følger med mig till toaletten.

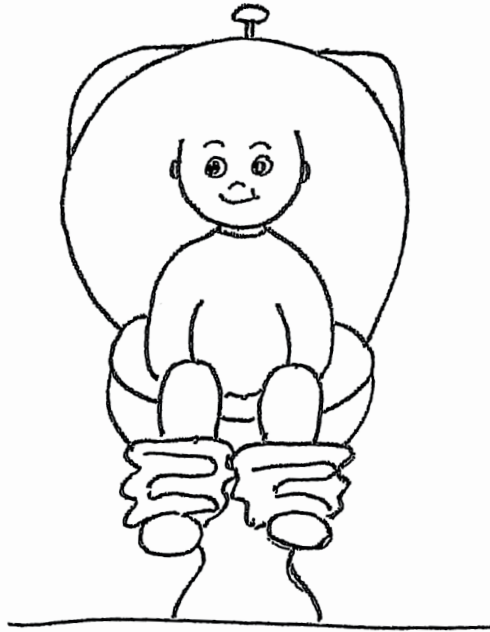

På toaletten drar jag ner byxorna.

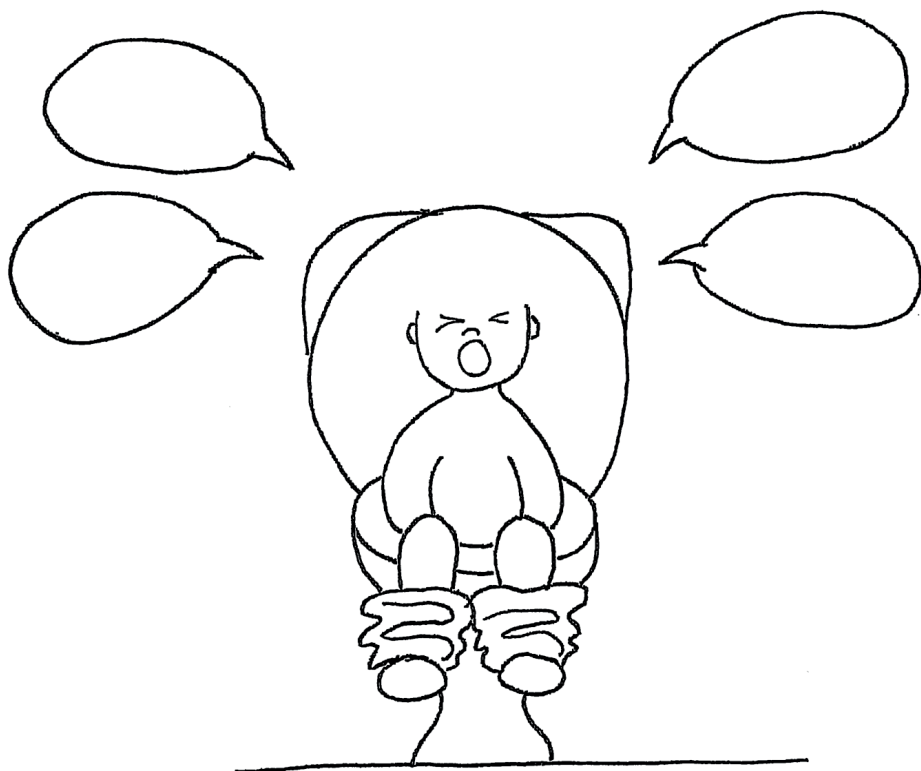

Sen drar jag ner kalsongerna.

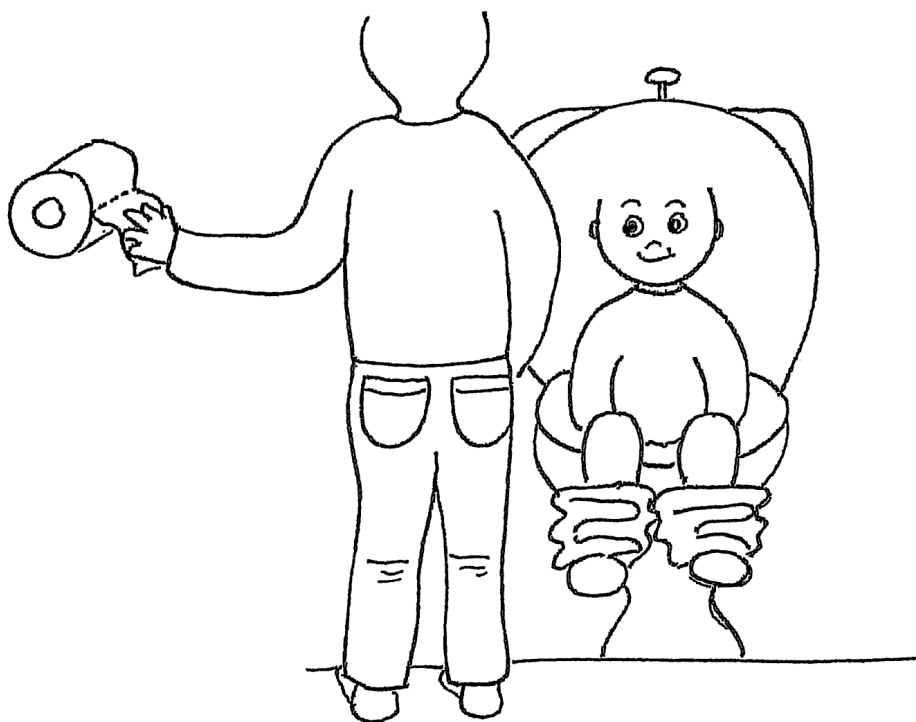

Jag sitter på toaletten.

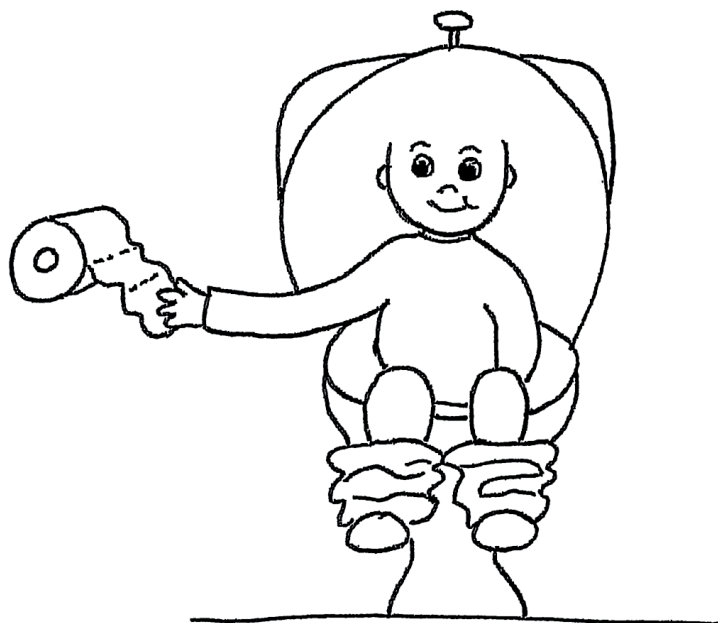

Jag kissar.

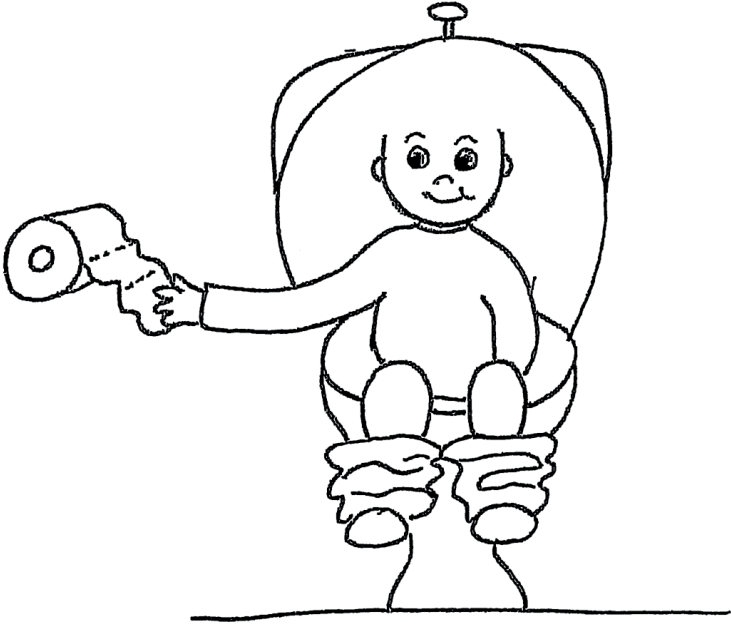

När jag är klar ropar jag på  
en vuxen.

Jag får hjälp att torka mig.

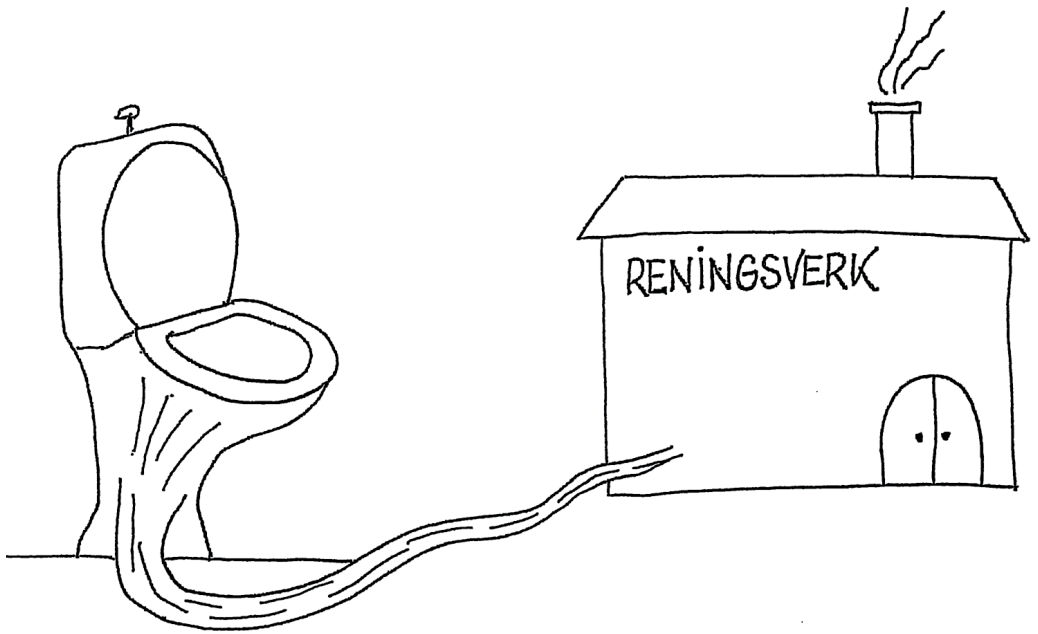

Sen får jag träna själv.

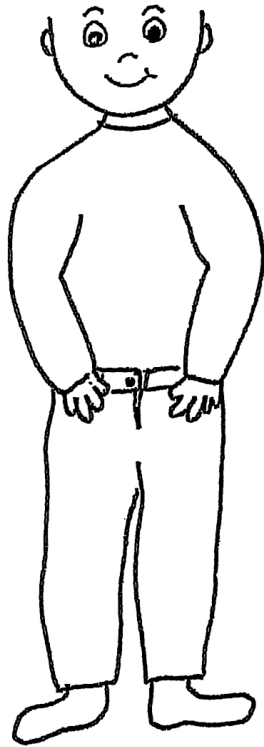

Jag torkar mig.

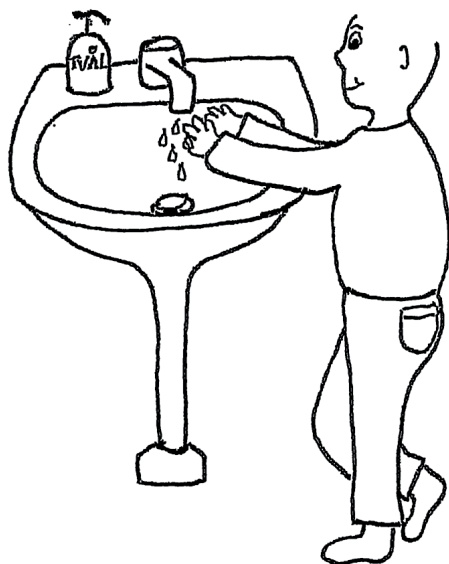

Nu ska jag spola.

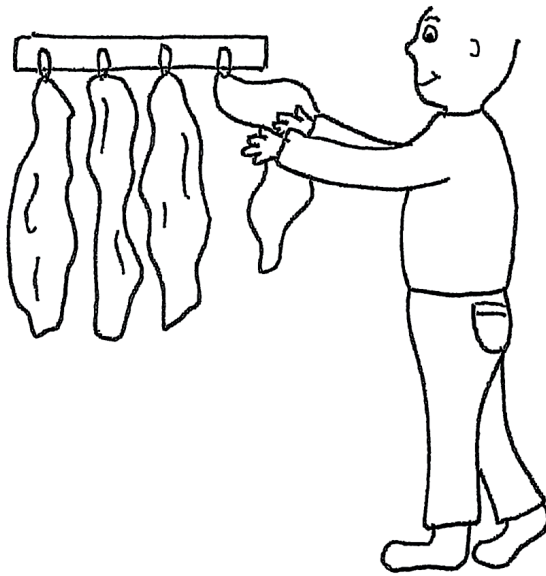

När jag spolrar rinner kisset  
till ett reningsverk.

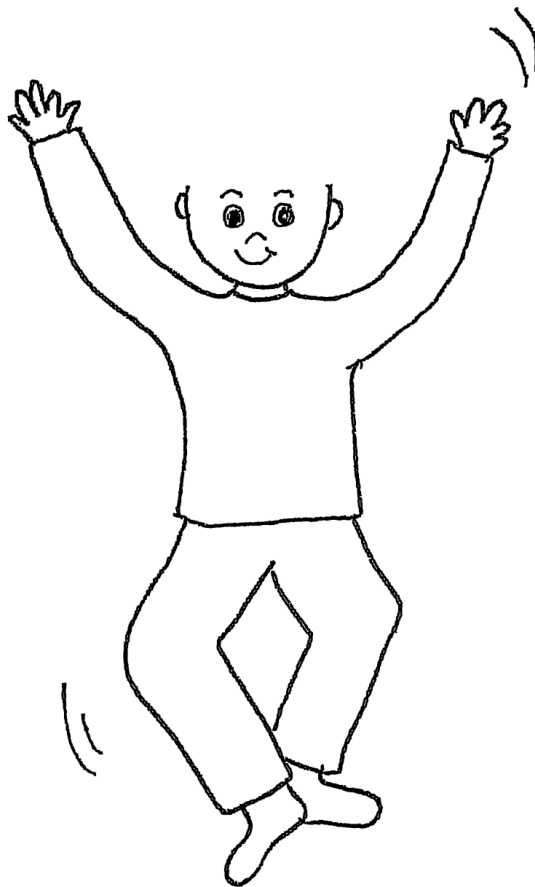

Вухорна upp.

Jag måste tvätta händerna.

Sist torkar jag mina händer.

Nu är jag klar!
