Dialogues with patients using Teach-Back-R

You have received a brochure about the dialogue technique Teach-Back-R, and, hopefully you are ready to use it.

By using this form, you can easily see yourself when and how often you have used the technique.

On the back side, you are welcome to describe your experience of it.

Instructions how to fill in the form:

Date: Date for the patient-dialogue when you have used Teach-Back-R

Patient summarized: Mark with an “X” if the patient has summarized information given from you with her/his own words

Personnel summarized: Mark with an "X" if you have summarized information given from your patient with your own words

[illegible]
