

Is fiiriya eena wadaaga
khibradaha

Fiiri buugaagta
Ka sheekeyya waxaad
aragtaan

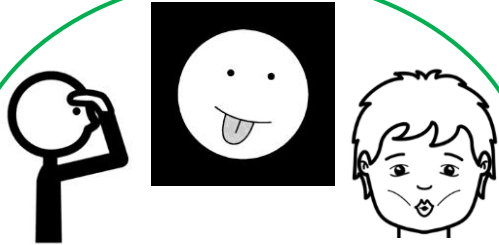

Isla ciyaara eena wada
faro-ciyaara

Ku hadal luqadda aad ugu
fiicantahay

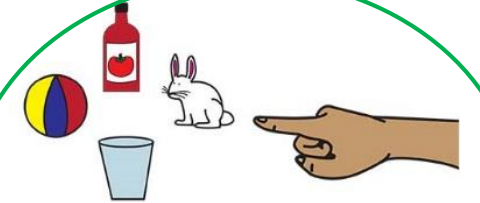

XIISE-GELINTA LUUQADDU

Samee wajiyo kuduudid qosol leh
Isku day xitaa inaad sameyso
sidii cunugga

Waxay ku dhacdaa nolol maalmeedka markaad
wax wada qabanaysaan

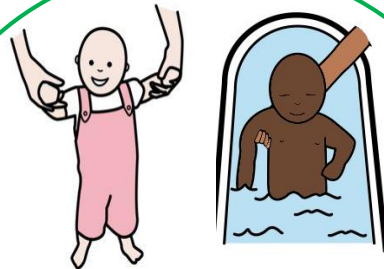

La soco indhaha iyo xiisaha ubadka
Farta ugu fiiq eena tus,
sheeg magaca
la yiraahdo waxaas

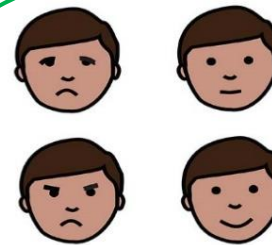

dadadada

Ka jawaab dhawaaqa
ilmaha

Ka sheekee waxaad
samaynaysaan

Erayo ku cabbir dareenka
ilmaha

U hees una tiri qaafiyo
