

Play together

Play games together

Listen to the child  
Repeat and expand the words in the sentence

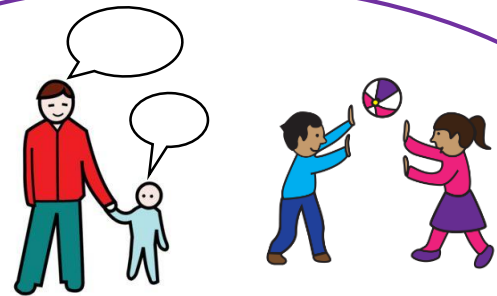

Speak the language you know best

## DEVELOPING LANGUAGE

Read books  
Look at the pictures  
Talk about what you read

Language is learnt in everyday life with adults and other children

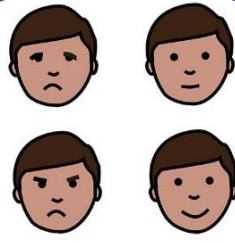

Show, point and tell what things are called, how they are used and what they look like

Use screen TOGETHER  
Talk about what you see and do

Talk about what you do in everyday life

Put your child's feelings into words

Sing, chant and tell stories
