

Su'aalo ku saabsan rabshadaha

Inaad la kulanto rabshad waxay saamaysaa sida aad dareemayso jidh ahaan iyo maskax ahaanba. Taasi waa sababta aan ku weydiinayno su'aalo.

Rabshadu waxay noqon kartaa in adiga laftaadu la kulantid, in aragtid qof kale oo la kulmayo ama aad adiguba qof dhib gaarsiisid. Waxaad heli kartaa taageero haddii lagu geystay rabshad ama haddii aad qof kale u geysatay rabshad.

Miyuu qof sameeyay wax ku dareen-siiyay in lagu koontaroolaaya, baqdin ama welwel?
