Helps. Cares. Protects.

To whom it may concern

Dear Ladies and Gentlemen,

The HARTMANN GROUP continuously reviews its business processes in order to be able to offer customers the best possible products and services. Global and local economic conditions play a key role in this. The review of our business processes has an impact on our Scandinavian markets. HARTMANN will close its own locations in Sweden, Denmark and Norway on December 31, 2025 and will stop distributing its own products.

For HARTMANN's disinfection products we are currently looking for a new partner in the aforementioned markets from January 1, 2026 onwards and will inform you respectively. With regard to the other product portfolio in the areas of wound care, incontinence management and risk prevention, no further distribution is currently planned.

HARTMANN-ScandiCare AB therefore no longer participates in any tenders. Existing tender obligations will of course be fulfilled. Orders without a term will be reliably served as usual. Should further individual solutions be required, HARTMANN-ScandiCare AB will agree these with its customers in a solution-oriented manner.

If you have any questions, please do not hesitate to contact our Managing Director Michael Geisel at michael.geisel@hartmann.info.

We would like to take this opportunity to thank you for the trusting and good cooperation over the years.

Yours sincerely,

PAUL HARTMANN AG
