Delivery

Lead times for our Pharmaceutical related products are as follows:

- Five (5) working days for diabetes, incontinence, nutrition and stoma products.
- Seven (7) working days for tracheostomy products.
- Ten (10) working days for gluten-free products.
- Ten (10) working days for dispensation products.

A dispensation product is an article that is not in the purchased range.

These products are not kept in stock with the distributor, so they have a longer delivery time.
