

Medical service for refugees · Flyktingmedicinsk mottagning

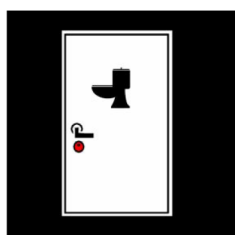

Stool specimen 2

Avföringsprov 2

Bring the three tubes.

Ta med de tre rören.

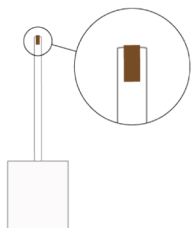

Go into the bathroom.

Gå in på toaletten.

Pass feces onto the cardboard plate.

Bajsa i kartongfatet.

Unscrew the lid holding the stick of the first tube. Dip the stick into the feces.

Skruva av korken med pinnen på det första röret. Doppa pinnen i bajset.

Put the stick back into the tube and screw the lid back on.

Sätt tillbaka pinnen i röret och skruva fast korken.
