

Visit to the Cochlear Implant Team

Besök till cochleaimplantatteamet

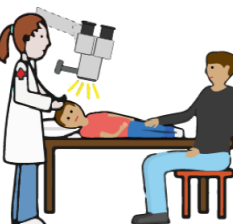

Notify reception of your arrival. Take a seat and wait for your turn. You will meet with a number of different staff members during your visit today. You will be asked to wait in between these consultations. Our staff will come and collect you from the waiting room.

Anmäl er i kassan. Sitt ner och vänta. Idag kommer ni att få träffa flera olika personer. Mellan besöken ska ni vänta. Ni blir hämtade i väntrummet.

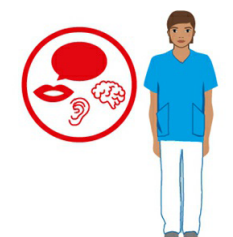

Our audiologist will examine your child's hearing.

Audionomen undersöker barnets hörsel.

When you meet with the doctor, you will discuss your child's hearing impairment and cochlear implants. The doctor will also examine your child's ears and balance.

Hos läkaren pratar ni om barnets hörselnedsättning och om cochleaimplantat. Läkaren undersöker också barnets öron och balans.

Our speech therapist will assess your child's speech and discuss language and communication with you.

Logopeden undersöker barnets språk och pratar om språk och kommunikation.

Our staff will discuss with you how well you are managing day-to-day life as well as the training you will need to undertake if your child is to receive a cochlear implant.

Personalen pratar med er om hur vardagen fungerar för er och hur ni behöver träna om barnet ska få ett cochleaimplantat.
