

In honor of Henrik Hagberg's contributions to research and development
Welcome to Järneken on November 14th at 8.30-17.00
and to the symposium on "Perinatal Medicine: recent discoveries and a 35-year perspective"

- 08.30 - 08.45 **Welcome** by Professor Bo Jacobsson
- 08.45 - 09.05 **"How does birth affect the human brain?"**, Professor David Edwards
- 09.15 - 09.35 **"Adventures of a Mitochondriac: The KCL Years"**, Reader Claire Thornton
- 09.45 - 10.10 Coffee and refreshments
- 10.10 - 10.20 **"A journey from hypoxia-ischemia to prematurity"**, Professor Xiaoyang Wang
- 10.30 - 10.40 **"From mice to piglets, 10 years of exendin-4"**, Ass Professor Eridan Rocha-Fereria
- 10.50 - 11.00 **"Biomarkers and Cooling Therapy: Improving Fetal Risk Identification for Perinatal Brain Injury During Delivery"**, Ass Professor Ylva Carlsson
- 11.10 - 11.20 **"Births too early or too late"**, Professor Ulla-Britt Wennerholm
- 11.30 - 11.40 **"What about the mother? Introducing maternal brain complications in perinatal medicine"**, Ass Professor Lina Bergman
- 11.45 - 12.40 Lunch
- 12.40 - 12.50 **"Intestinal function and dysfunction in the preterm infant"**, Professor Anders Elfvin.
- 13.00 - 13.10 **"An eye on the Brain"**, Professor Ann Hellström
- 13.20 - 13.30 **"From mitochondria to middle-school"**, Dr Karin Sävman
- 13.40 - 13.50 **"Apoptosis Inducing Factor and Neuronal Death in Neonatal Hypoxia-Ischemia"**, Ass Professor Changlian Zhu
- 14.00 - 14.10 **"Preterm birth - from amniotic fluid and gene discovery to public health WHO report"**, Professor Bo Jacobsson
- 14.20 - 14.30 **"Uterus transplantation: a surgical procedure with obstetrical implications"**, Professor Mats Brännström
- 14.40 - 14.50 **"From New Orleans to Gothenburg – a 25-year journey"**, Professor Carina Mallard
- 15.00 - 15.25 Coffee and refreshments
- 15.25 - 15.35 **"The first stumbling steps"**, Professor Mikael Dellborg
- 15.45 - 15.55 **"Glimpses of 40 years of collaboration"**, Professor Mats Sandberg
- 16.05 - 17.00 **"Perinatal medicine - a 35 year perspective"**, Professor Henrik Hagberg

Please register no later than October 21, 2024. Lunch and refreshments will be served. Please indicate in your registration if you wish to take part in lunch and/or refreshments. [Registration link](#)

Location: Järneken, Sahlgrenska University Hospital/East, Diagnosvägen 15.
 Organized by Sahlgrenska Academy and Sahlgrenska University Hospital.
